Dedication

A palette of vivid, varied, and vibrant colors is somehow symbolic of Miss Claire Hoster, art department chairman, whom we honor with the dedication of this book. Fortunate are we at Delano High School that she chose to begin her teaching career here in 1942 and to remain with us except for one year's leave of absence in England as a Fulbright exchange teacher.

A master painter herself, Claire Hoster has the gift of inspiring others to express themselves creatively and to enjoy thoroughly that expression. Students have profited from her cultural influence and her gay, friendly personality. They will long cherish the memory of having been, what she affectionately terms, one of her "monsters."

We are proud that Miss Hoster has won personal fame with her paintings, her art crafts, stage sets, her Athenian Banquet decorations. Her broad knowledge of all of the fine arts--art, literature, drama, music--and her excellent personal library in these areas have made her a cultural consultant for the whole community.

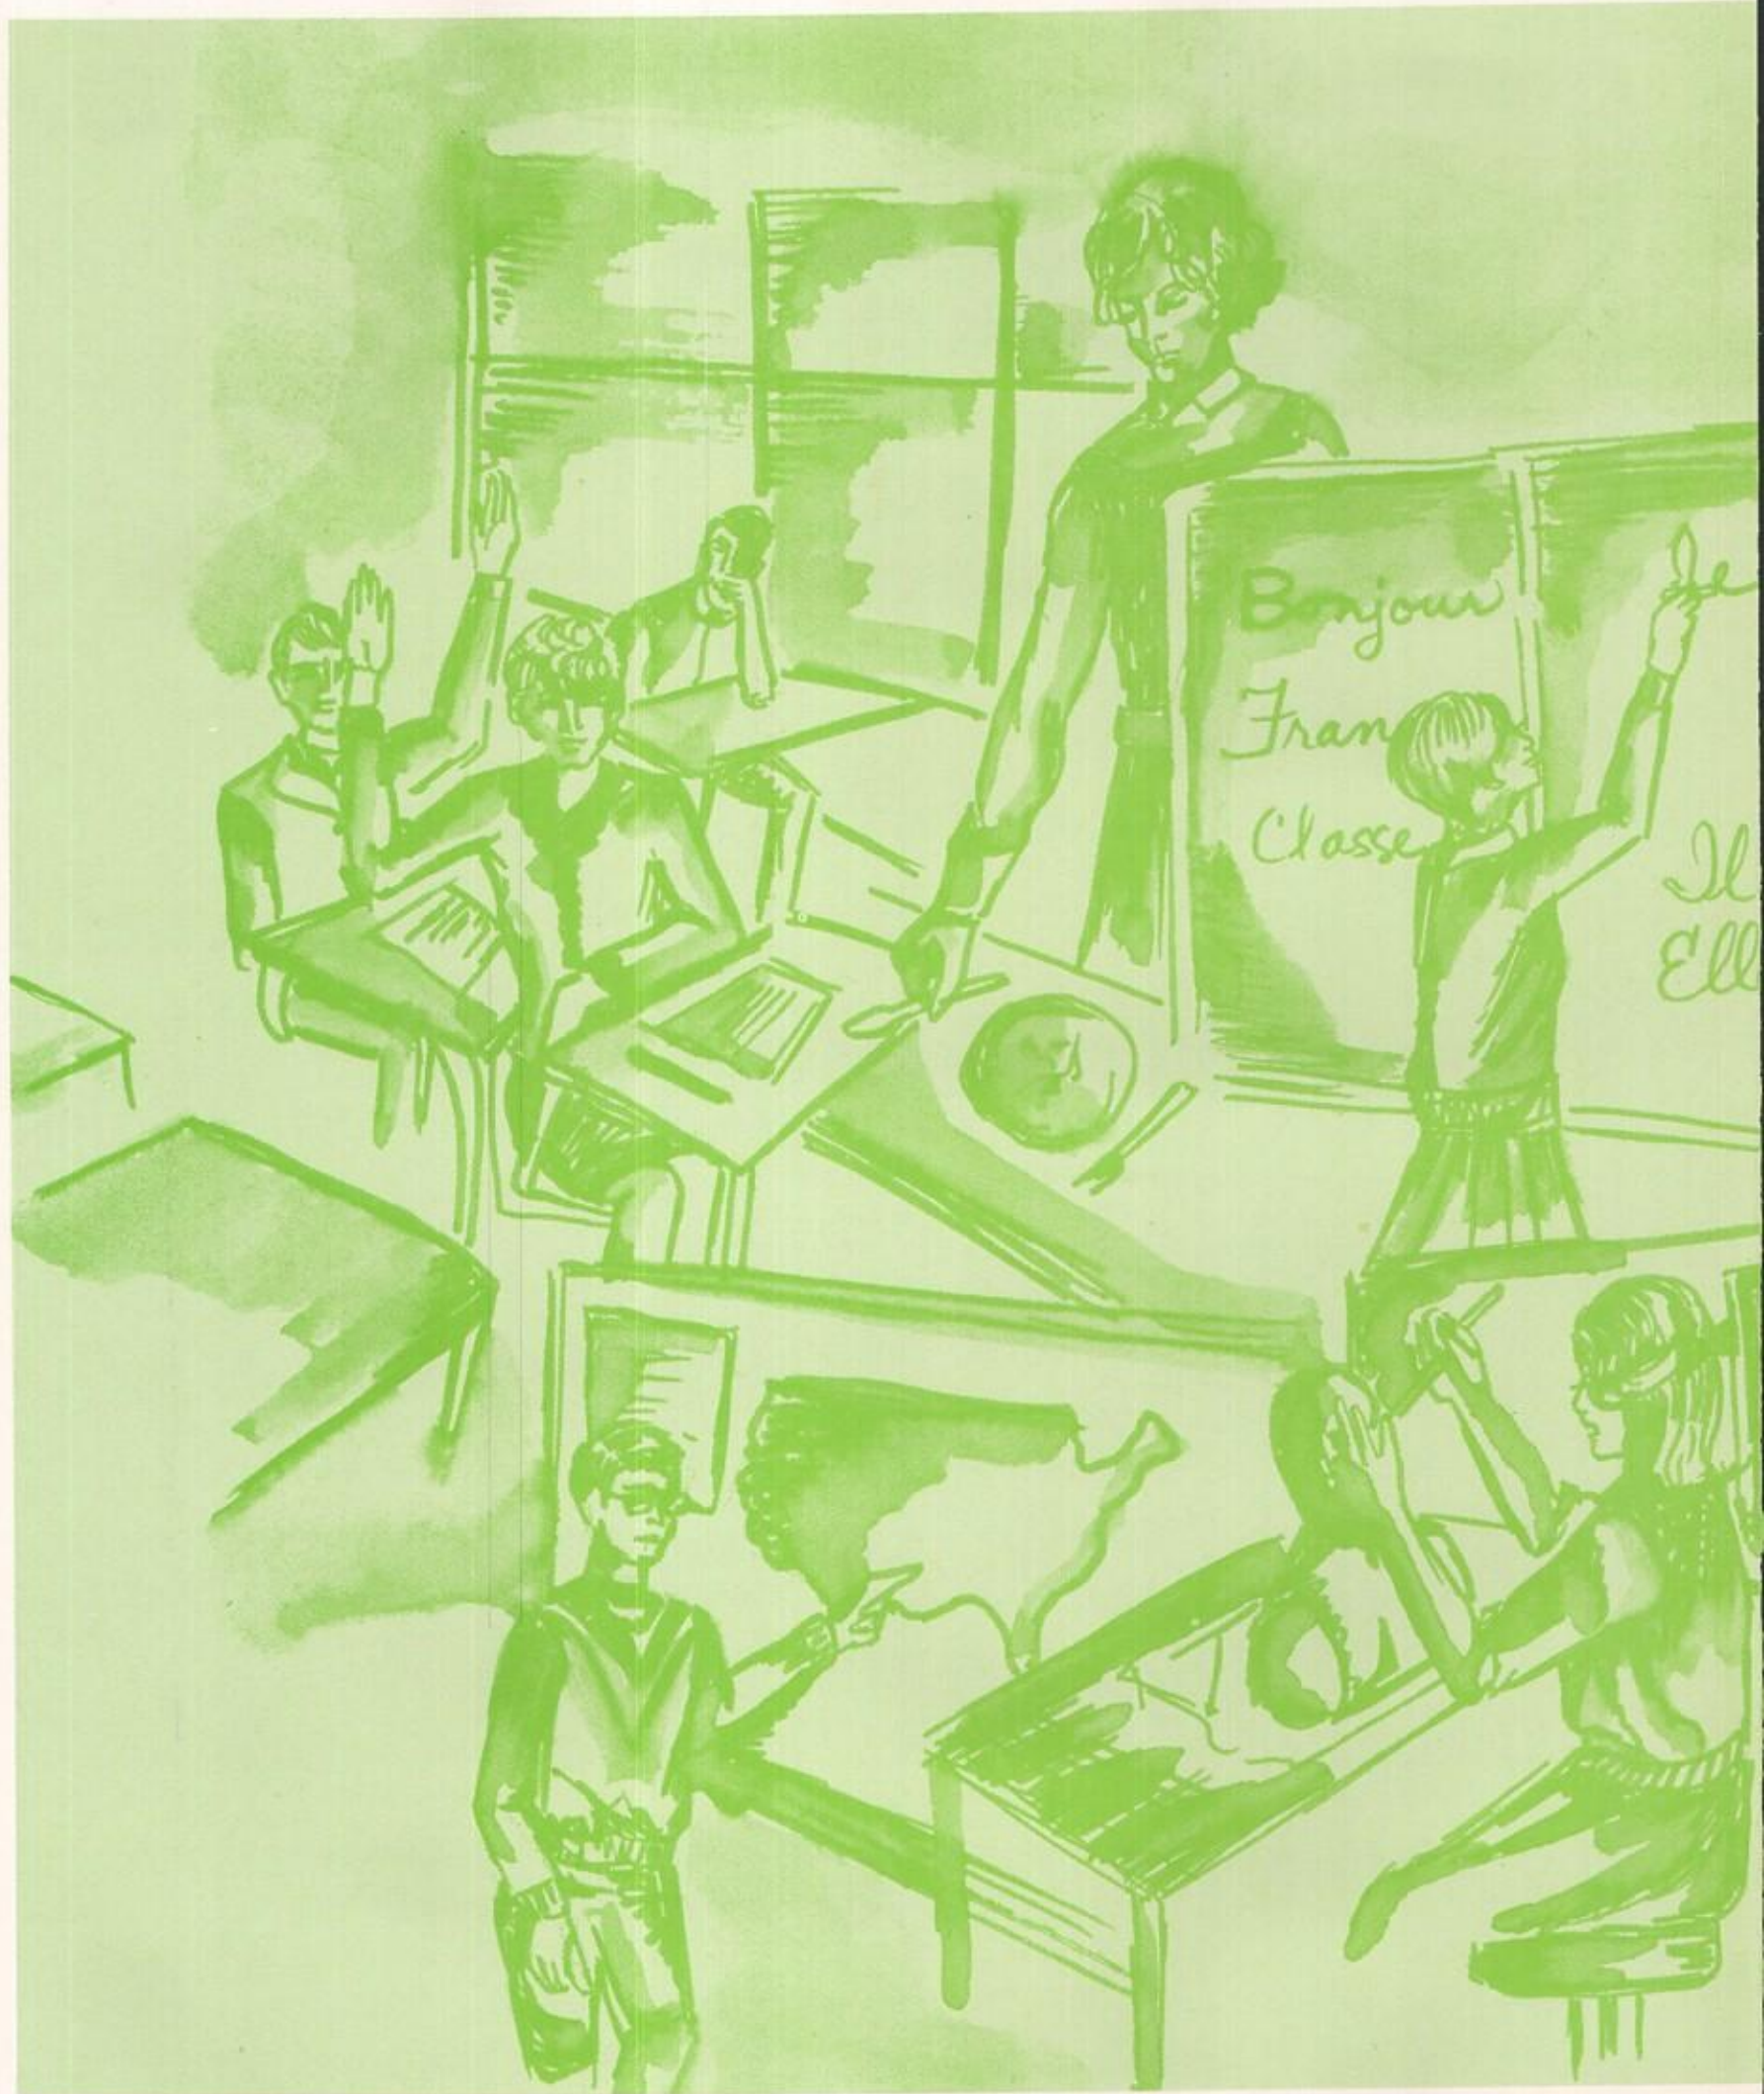

Life to Claire Hoster is an exciting and dramatic adventure. Her special interests, in addition to painting and crafts, include reading, travel, English history, cooking with a gourmet touch, sewing, knitting, collecting books and records, gardening, camping and fishing, skiing, and playing her Hammond organ. "And she does everything so well," her friends moan enviously. She loves cats. Her favorite heroes are Montrose and T. E. Lawrence. She is really a jack-of-all-trades, for she is as adept with hammer and saw as she is with a paint brush or a potter's wheel.

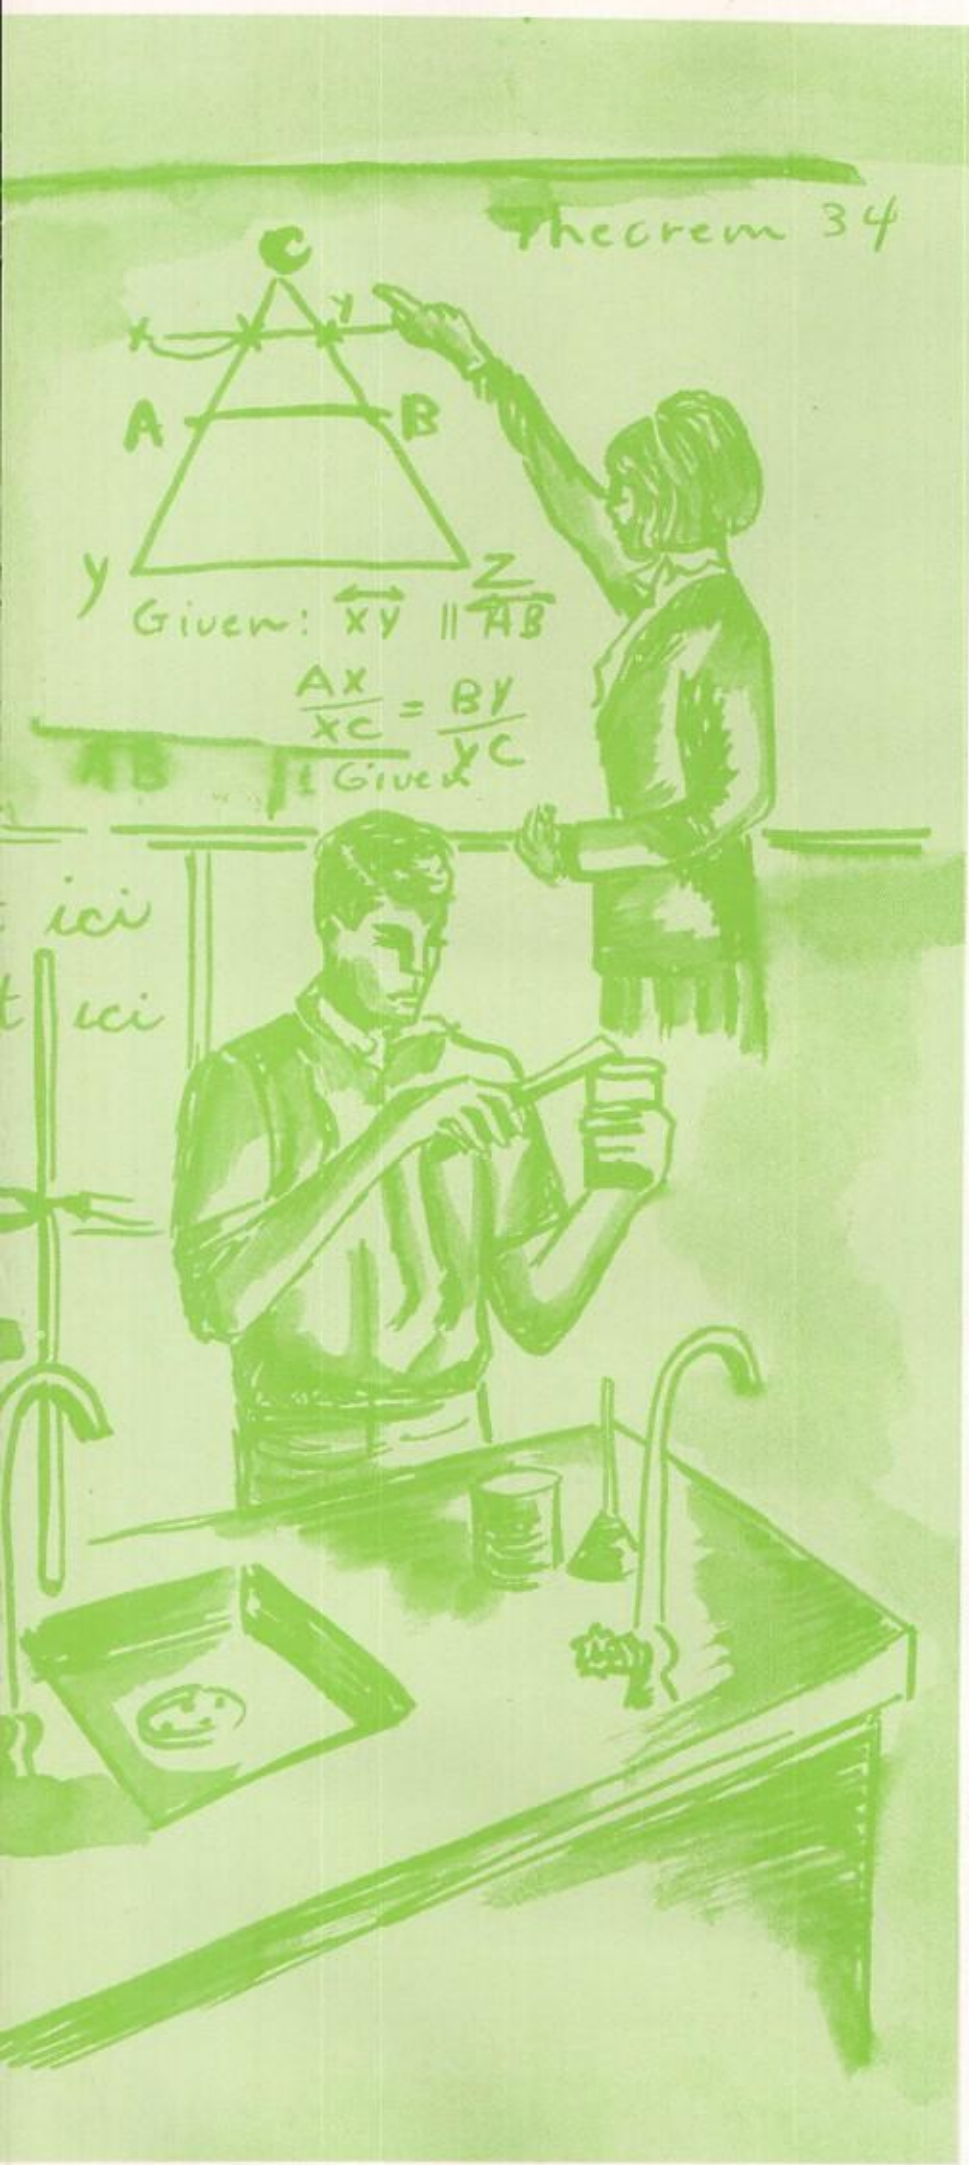

A strong sense of the dramatic, colors both her artistic achievements and her vibrant personality. "When I see a scene, I play it to the hilt," she admits. Miss Hoster has won the admiration, respect, and friendship of faculty, students, and townspeople with her characteristic sophisticated humor, enthusiastic conversation, her talents, originality, sportsmanship, dependability, and her determination to do a job well.

Claire Hoster has given generously to our school and the community. And she has done it with style, drama, and perfection.

We are grateful.

Superintendent Frank Dyer

SUPERINTENDENT'S OFFICE

Delano High School is technically described as a comprehensive high school. This means that it offers, to the students who attend, opportunities to learn that are broad and varied. While we are concerned with providing preparation for effective citizenship, satisfying vocations and further educational training, we are also concerned with providing opportunities to learn to appreciate beauty. We are told that 'man does not live by bread alone' and understand that to mean that the beauty of the world and of the products of man's creative skills are important parts of life. The citizens of our community have consistently recognized the importance of the fine arts in the educational program of our school. Their support has made it possible for our high school to maintain vigorous programs and highly competent staffs in art and music. Experience has shown that skills and appreciations developed in courses in these departments have provided many of our graduates with lasting benefits which enrich the rest of their lives. As we look ahead to a future in which the satisfying use of leisure time will become more and more important to all, the value of educational experiences in the fine arts becomes even more important. It is our hope that we may continue to provide ever richer opportunities for our students to round out their lives with enjoyment of the fine arts.

Frank E. Dyer

Mrs. Marge Brumley handles all of the routine business which goes through the superintendent's office.

PRINCIPAL'S OFFICE

Man's image and the image of man has changed during recent decades. A few decades ago a cultured man or woman enjoyed the "long-haired" music, the works of the sculptors, of artists and the great classics of the world. Today, relatively few individuals enjoy these finer arts, if you do, you don't admit to this love, because if you do, you are a "square".

In this day there is more demand upon man's imagination that in anytime in recorded history. There are new designs to create in buildings, airplanes, locomotives and vast numbers of other industries.

Fine arts in high school help to develop man's imagination and through imagination comes saleable items to spur the economy of our great nation.

Who might know that through the knowledge gained in any one of our fine arts classes, speech, drama, art, vocal or instrumental music, a new concept might be gained to put you on the road to success. Why not investigate this area of learning to see what it has in store for you?

V. L. Lefebvre

Visitors to the principal's office are greeted by his secretary, Mrs. Jeannie Boone.

Principal Vernon LeFebvre

COUNSELORS

It is the job of the counselors to make certain that every student in the school is getting maximum benefit from his high school years. This is accomplished by arranging a student's classes to suit his interests and abilities, by co-operating with the PTA to provide needy students with clothing and lunch money, and by keeping a complete record of each student's high school performance. The dean of counselors and the senior counselor have the extra task of helping the graduating class prepare for the change from high school to college or to a job. The counseling office maintains a vocational library whose material is available to students upon request, and interested students can obtain applications for dozens of fine scholarships from the dean of counseling.

One of the many duties of the school nurse, Mrs. Adams, is to take the blood pressure of students for physical exams.

Mrs. Watanabe, secretary to the Dean of Attendance, offers her assistance to an enquiring student.

COUNSELING OFFICE

The school psychologist, William McClurg, comes once a week to help with student problems.

Without the supervision of Marge Gabriel, the student association secretary and clerk, the student store could not run smoothly.

Marion Johnson and Sylvia Flores keep track of class schedules as part of their job as clerks in the counseling office.

BUSINESS OFFICE

Keeping the complicated financial affairs of the high school are the secretaries of the business office, Lilia Felix, Miriam Shallies, Angie Ortega, and Darla Swanson.

As business manager it is the responsibility of Mr. William Berryhill to keep Delano High School operating in the black.

Math instructor Bob Anderson intent upon an intricate problem outlined upon the board.

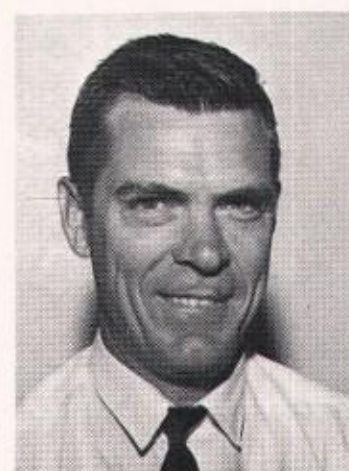

In this world of astronauts, computers, and atoms, the study of mathematics has become vitally important: so important that the very concept of numbers had to be redefined and reorganized to make further progress possible. This rearrangement is the much-talked-of New Math, which was introduced at Delano High in 62-63. This year's seniors are the first students at D.H.S. who have gone through four straight years of the revised math curriculum.

Taking an active interest in all phases of school life, the sophomore class has closed out the year 1965-66 with an "ear-shattering" exhibition of school spirit. But, outstanding spirit does not sum up their year's achievements. The class has also excelled in the scholastic field, with six sophomores attaining

membership in the coveted Athenian Society at the opening of school. Adding to their list of accomplishments, they also boast a large number of fine athletes. Without a doubt, the versatile Sophomore Class is a class to be proud of.

HOMECOMING

SOPHO

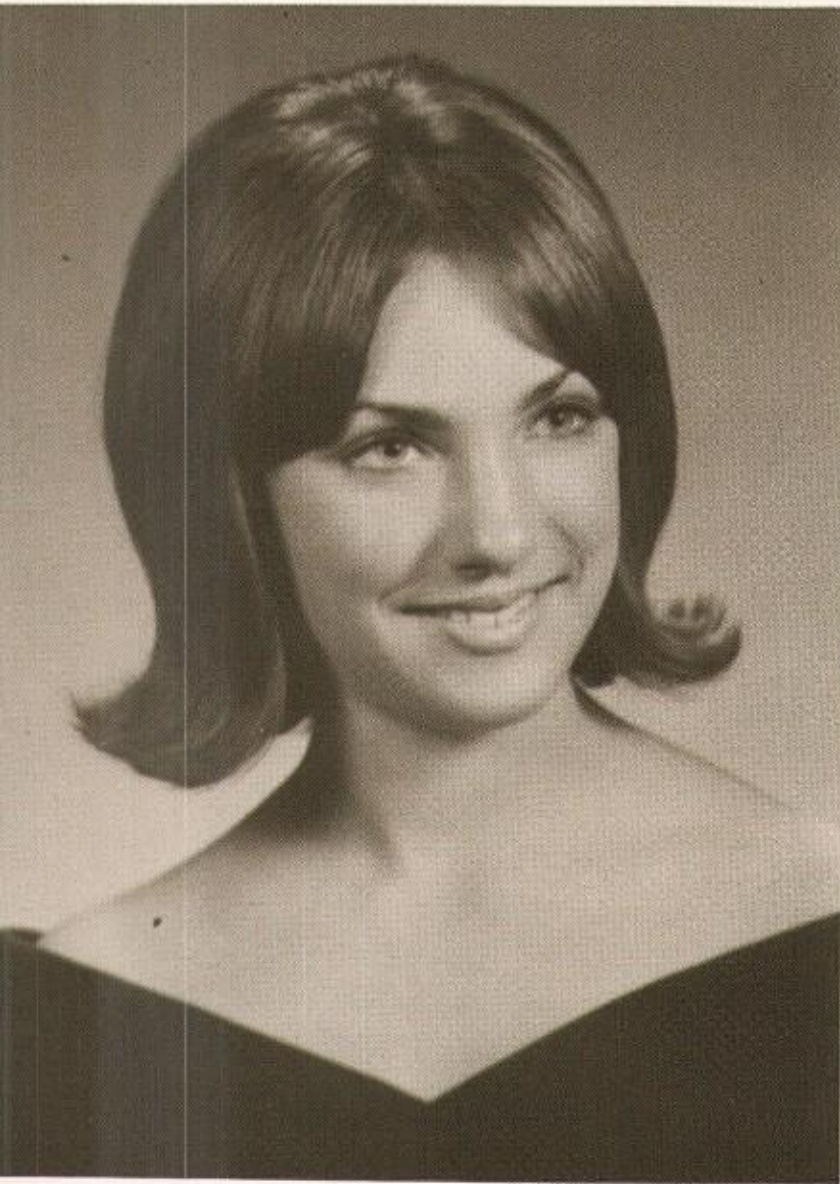

Natalie Black

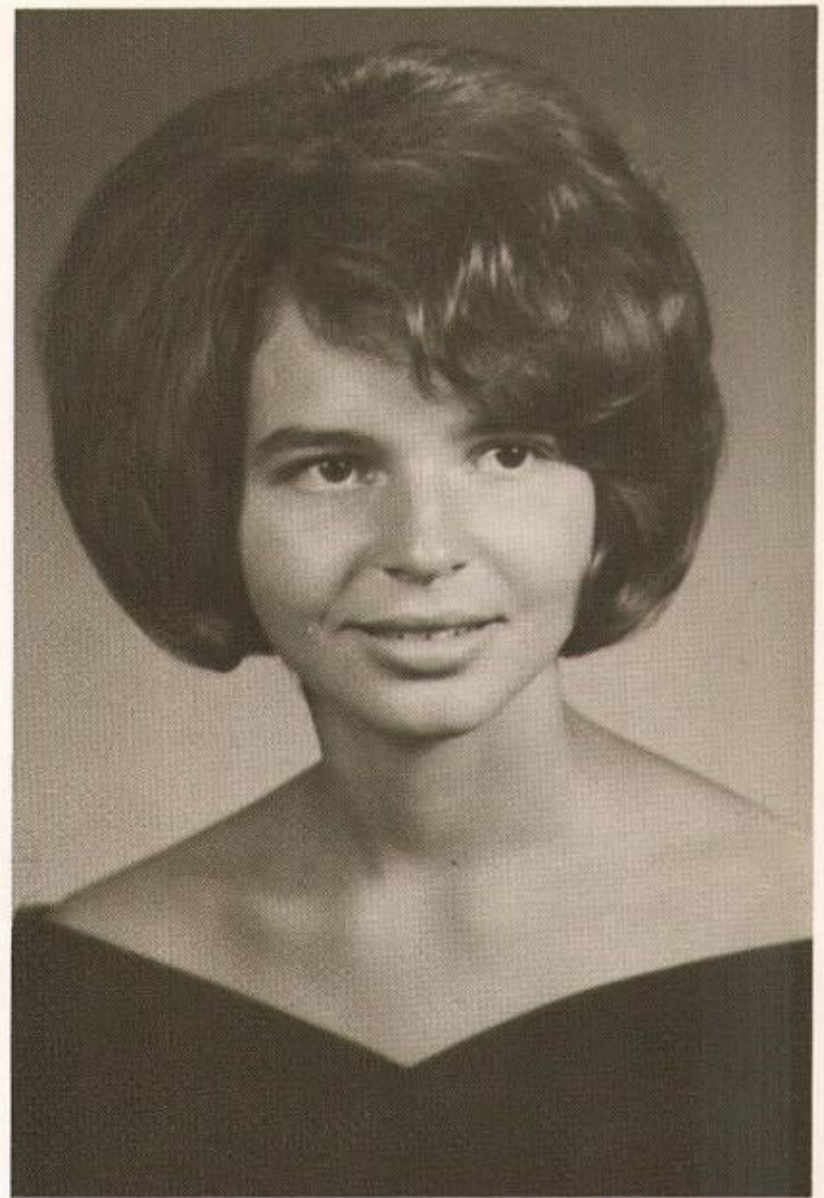

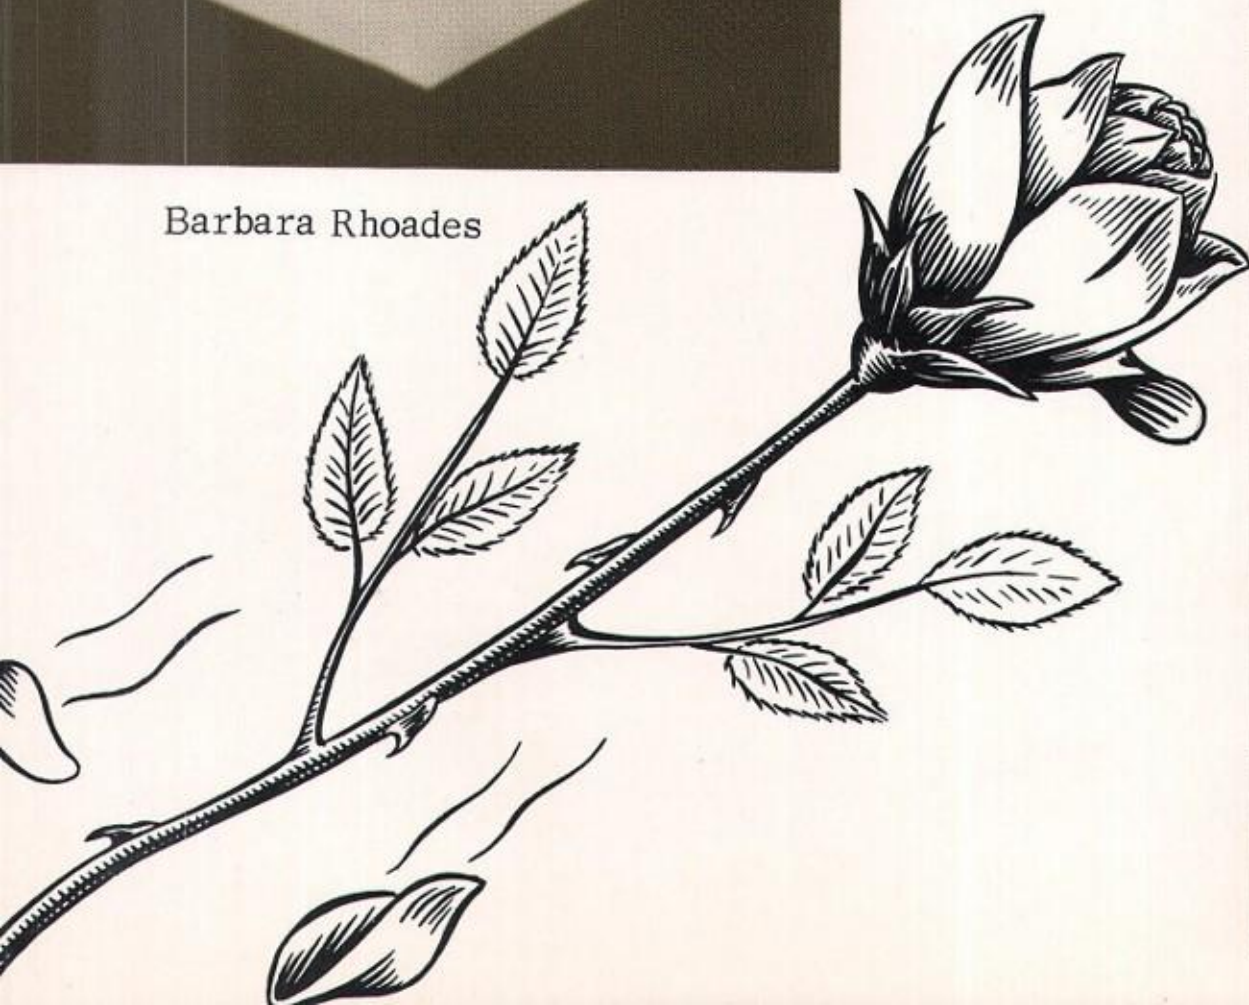

Since its beginning in 1956, the crowning of Homecoming Queens and Princesses has become a Delano High tradition. Each year one Senior lovely and two other beauties from each of the other classes are honored during Homecoming. This annual celebration, which begins with Color Week, includes a lively parade, the game, and a dance among its memorable events. But, indeed, it can be said that the lasting memory of every Homecoming is highlighted by the splendor of the Queen and her Royal Court.

STUDENT COUNCIL

At the beginning of each semester students are elected to represent their home-rooms in Student Council. The representatives meet each week to discuss the activities of the students and to develop a better understanding between the students and the members of the faculty. Student Council is always busy as there are many decisions which face them. The biggest task of Student Council this year was the revision of the school constitution.

Solorzano, Sharon Patterson, Conchita Lopez, Dorothy Felix, Johnnie Brownlee, Linda Dominguez, and Irene Torrez. Seated in the picture is Arthur Cardoza.

DEL-AÑO REVIEWS YEAR'S ACTIVITIES

Striving diligently for perfection, the Del-Año staff experienced a busy year. Meeting their deadlines proved to be a tedious task to many members of the staff, yet without failure they fulfilled their assignments. With never a dull moment, the class worked throughout the day and often times after school during the evening. The thirty staff members, laden with responsibilities, have proven to be an efficient and cooperative staff.

Section editors for the Del-Año are: Seated, left to right: Karen Okasaki, art editor; Kathy Roberts, student life editor; and Candy Schneider, administration editor. Standing are: Peggy Adams, class editor; Frank Perez, sports editor; and Maryann Zaninovich, activities editor.

Sam Ramirez, photographer, takes time from his busy schedule to pose for a picture.

Heading the Del-Año as editor this year is senior, Diane Kawasaki. Sandra Chroman, only junior on the editorial staff, is business manager.

Advising the yearbook staff this year is one of the many jobs of Mr. Tom Hoskins.

Alphabetizing names to meet the first deadline is the exacting job of Johnnie Brownlee, Olivia Solorzano, and Dyan Compton.

Serving as Live Wire advisor is Mr. Gary Girard.

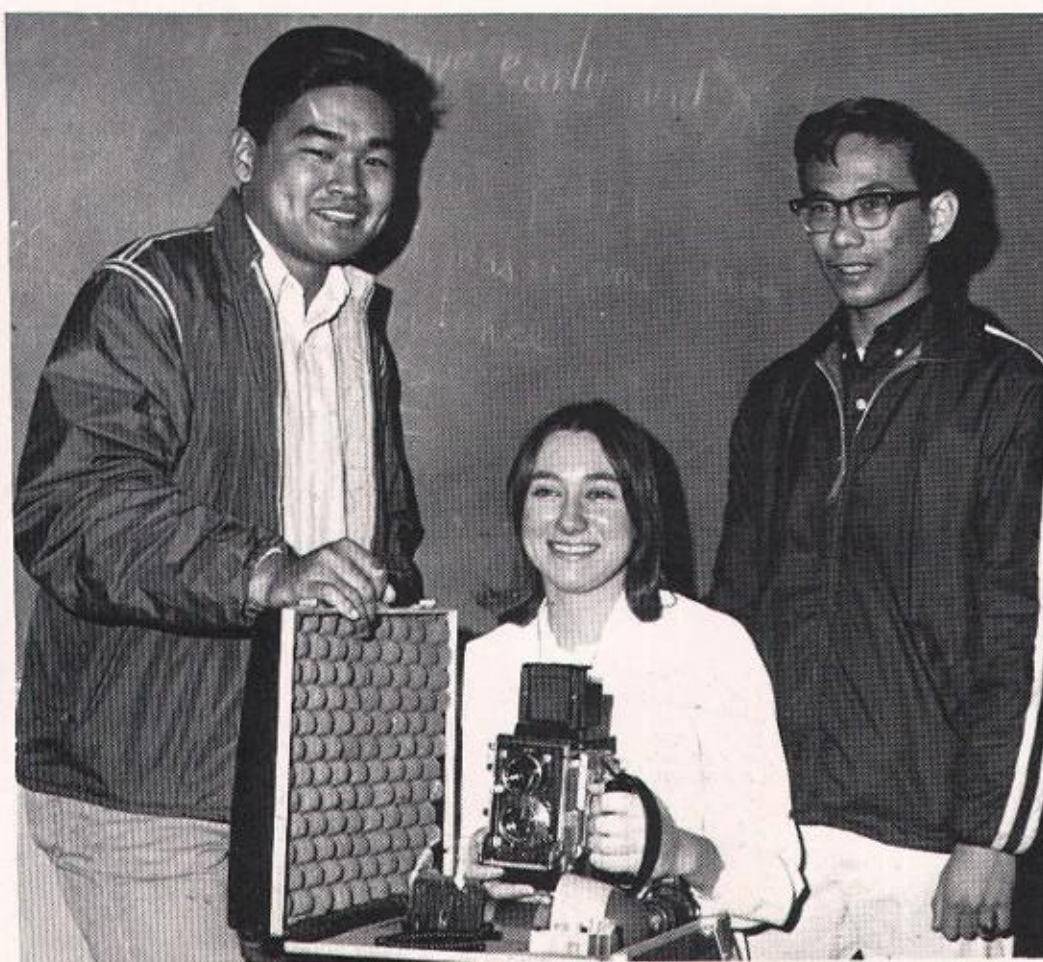

Weekly issues throughout the school year were provided by the Live Wire staff for the first time in several years. The staff alternated two and four-page issues for the most part, publishing 36 newspapers which represented 118 pages. Operating on a budget of about \$3,400, some \$900 derived from activity cards and \$2,500 from advertising, the publication was able to cover the cost of a new \$520 IBM typewriter used for setting all news material, offset printing costs which average \$25 a page, cost of film and processing, engravings, production supplies, and other expenses. The cheaper but "more work" offset process has made it possible for the publication of more papers. In addition, the staff contributed to a Christmas booklet, spring sports booklet, and senior booklet.

CLUB

Marilyn Nielson
Treasurer

Diane Fortier
Secretary

One of the most active clubs on campus, if not the most active, Press Club has exhibited growing interest in school affairs throughout the years. For the second consecutive year, the club took on the responsibility of sponsoring the traditional Christmas Formal.

And, as always, the club initiated new types of group participation, with this year marking the first steak bake party and sports competition between the two publication staffs.

Never without activities, the organization successfully completed publication of both the football programs and the spring sports booklets. Without a doubt, Press Club, constantly expanding with new members and ideas, continues to become a more and more important part of student life.

Marilyn Nielson, Patty Logoluso, and Sandra Cupp type out material for the Spring Sports booklets, while Sandra Evans and Jennifer Crockett add helpful comments.

Busily assembling decorations for the Christmas Formal are Kathy Jones, Janice Hannagan, Patty Logoluso, and Diane Fortier.

SOROPTI-MISSES

Service to the school and the community is the main goal of the Soropti-Misses. Taking an active interest in community affairs, the Soropti-Misses have assisted in the annual kiddie parade, served at various community luncheons, and prepared Christmas tray favors for the Delano Hospital. An event enjoyed by all is the annual fashion show sponsored by the Soropti-Misses. With the money earned through the fashion show and other activities, the Soropti-Misses award a scholarship each year.

Soropti-Misses officers are: Standing: Mrs. Mary Goldman, advisor; Mary Maxson, junior director; Jennifer Crockett, vice-president; Miss Mary Kosar, advisor. Seated: Janice Hannagan, corresponding secretary; Carolyn Fugate, president; Patty Logoluso, recording secretary.

The main objectives are closely related to those of their sponsors, the Kiwanis, by developing leadership and serving the school and community whenever possible. After three years, they have promises of being one of the most active clubs on campus. Besides selling soft drinks at the Harvest Holiday parade, participating in the Homecoming activities, and sponsoring a dance, they have sponsored "B" half-time shows during the football season with the surrounding elementary schools participating.

Sonia Chamberlain
President

Thalians is an honorary dramatics club. In order to gain membership in the club a student has to participate in at least one major production, either a tournament play or one local play.

The club is quite active on campus. Besides all of their hard work as actors and actresses they also find time to present a series of noon movies to the student body. The money earned from the noon movies goes to help buy costumes and props for the dramatics department.

DELANO'S FRIENDSHIP SPANS PACIFIC

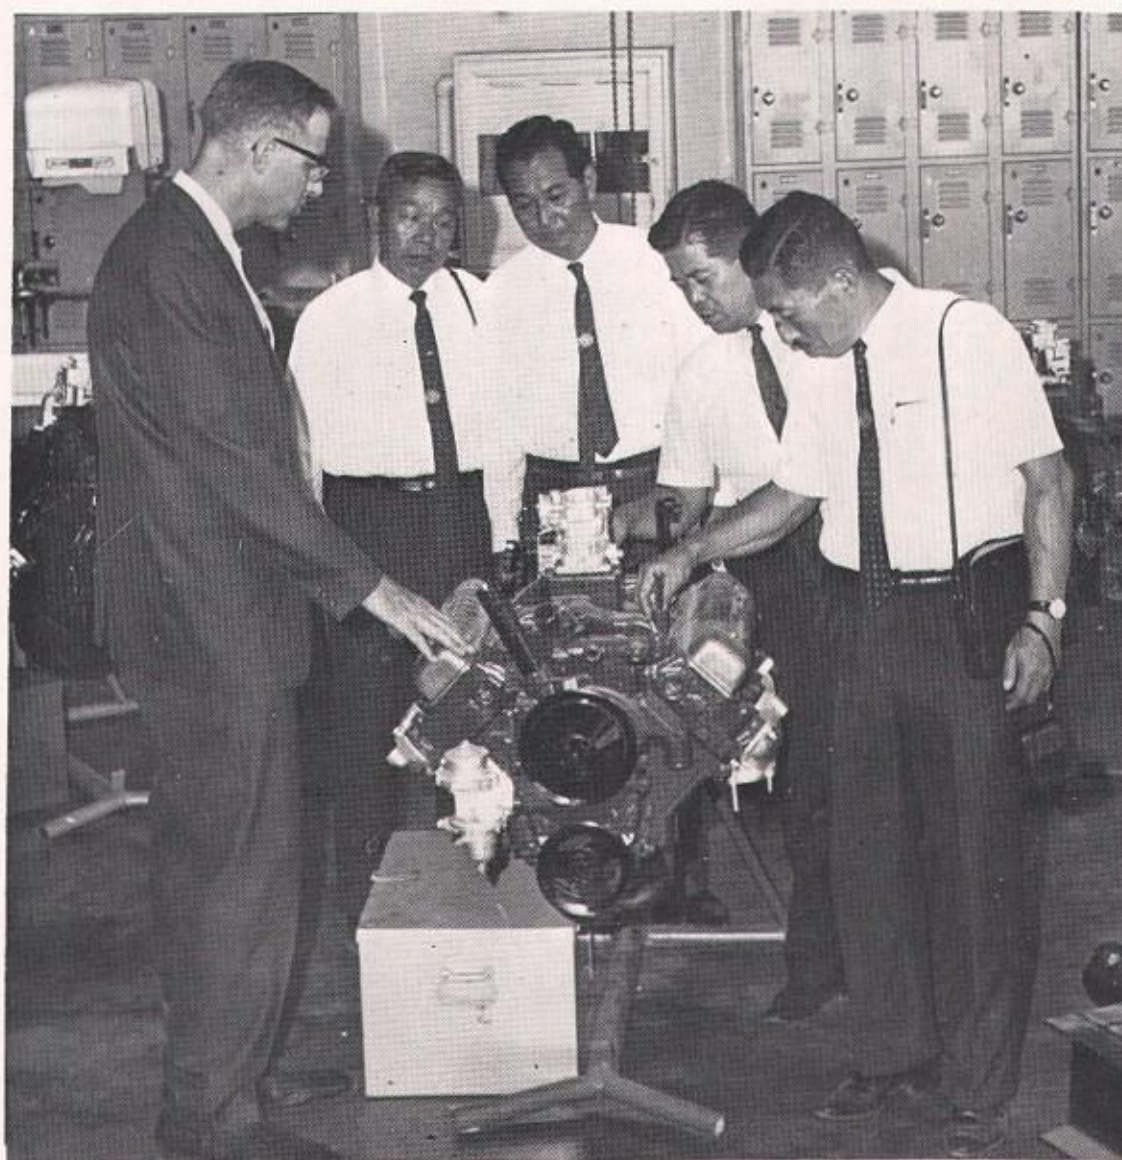

One of the most effective and challenging efforts toward better international relations and world understanding is the Town Affiliation program, where one city adopts another city in some other part of the world as a sister-city.

In 1965 Arita City in Japan asked if it could enter into a "Friendship Association" with Delano. The Delano City Council accepted and this was formalized by a visit of Arita City officials to Delano on August 26, 1965.

The idea of friendship was proposed by Mayor Zenichi Takagaki of Wakayama City, Japan when I was in Japan for the 1964 Olympic Games. Wakayama City and Bakersfield are sister-cities and have had many cultural exchanges and student exchanges.

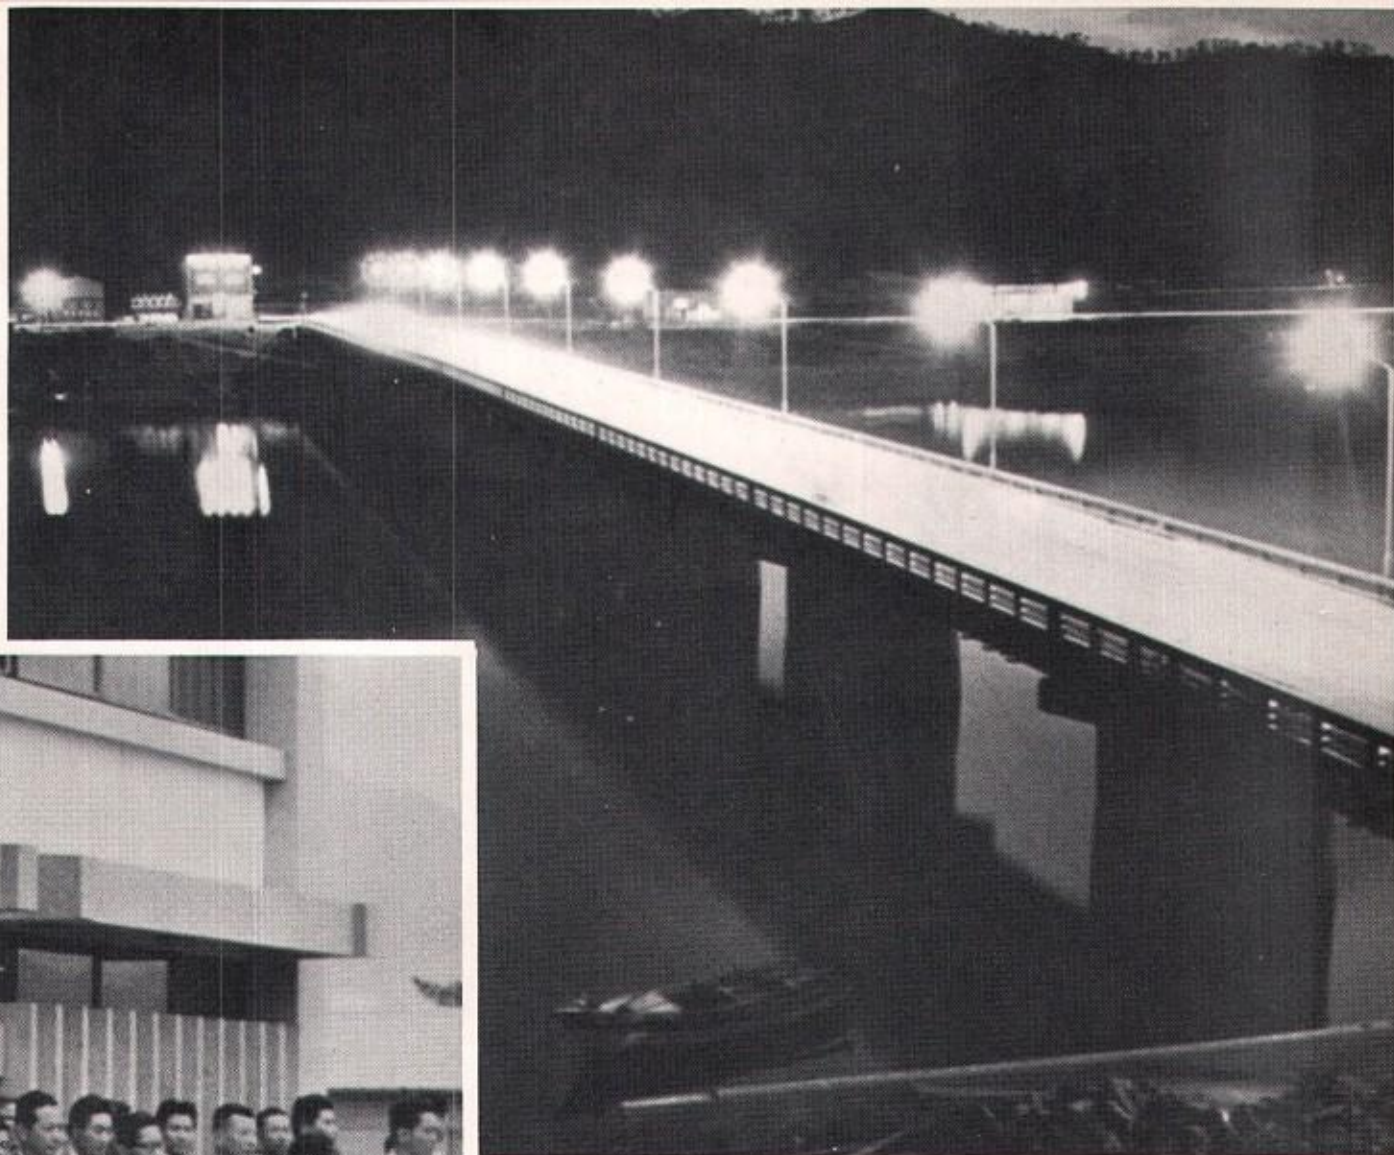

Mayor Senta Morikawa of Arita City, Japan has proposed a student art contest between the students of Arita City and Delano, and plans are being made to carry this out this year. Now that the seeds of friendship have been planted, let us work to make this flower into a meaningful program of better world understanding and friendship.

Dr. Clifford Loader
Mayor of Delano

The Japanese visitors were impressed by the size of Delano High and the variety of classes offered. Here, in one of the many classrooms they visited, Mr. Jimbo, Mr. Nakamura, Mr. Kuki, and Mr. Ujita examine an automobile demonstrator engine in the auto shop.

TEACHERS WIN FRIENDS SOUTH OF THE BORDER

The following are excerpts from a report submitted by Mr. Adams to the California Teachers Association on his tour of duty in Mexico.

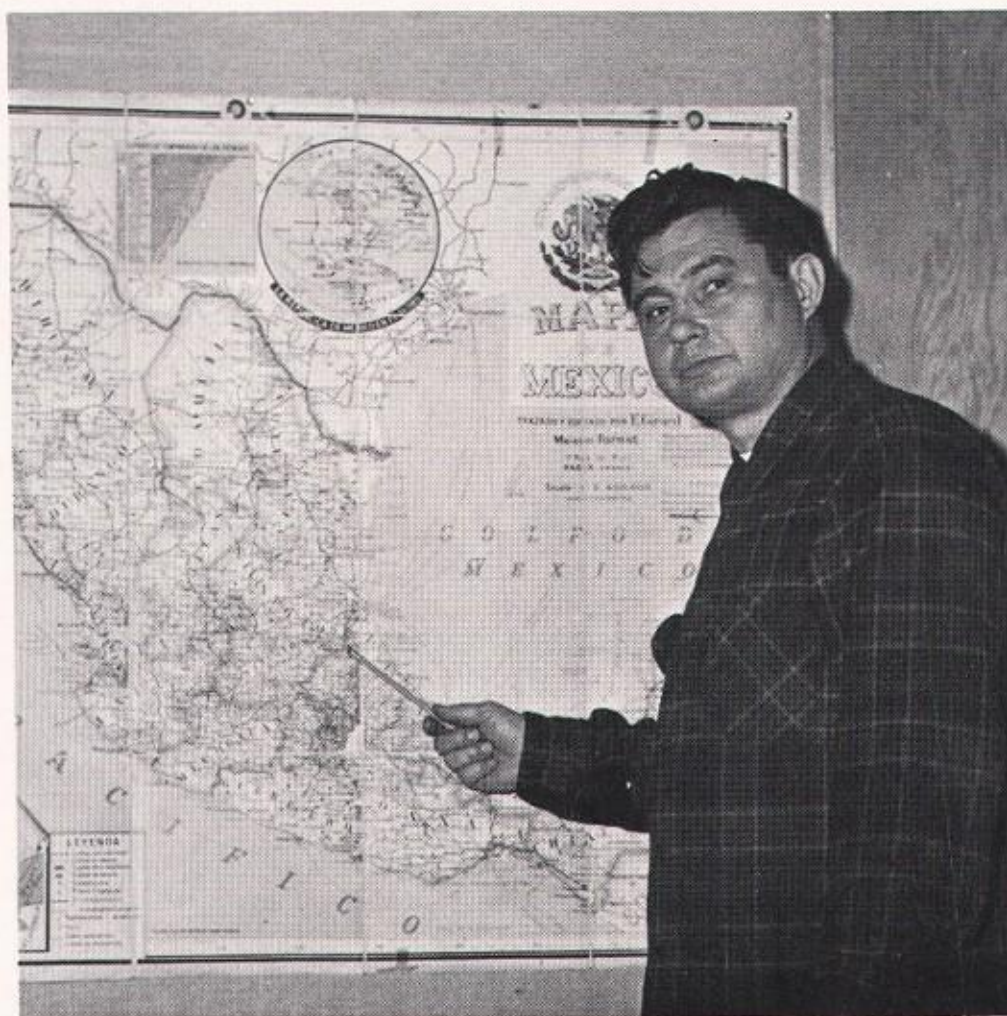

On leaving Altotonga I took the addresses of those who wished to correspond with my students here at Delano High School. One of the most successful ways of telling about our high school was to give their school one of our yearbooks. In this way their students could see a picture of those with whom they wished to correspond and learn about our educational system here in Delano.

My teaching duties were to attend English classes for an average of three to four classes per day for a six day week. Also, I helped the teachers with their pronunciation and some grammar.

Each day I had meals with one of the English teachers, and we practiced speaking English. Also, I was invited into many homes and spoke English with the families who wish to do so.

Professor Bruno Villalobos and Professor Luis Enriquez, directors of the schools, were most generous and helpful. Mexican education is making great strides due to fine educators like them and their staff of teachers at Altotonga.

I hope the program grows and grows for I know of no finer experience for our teachers.

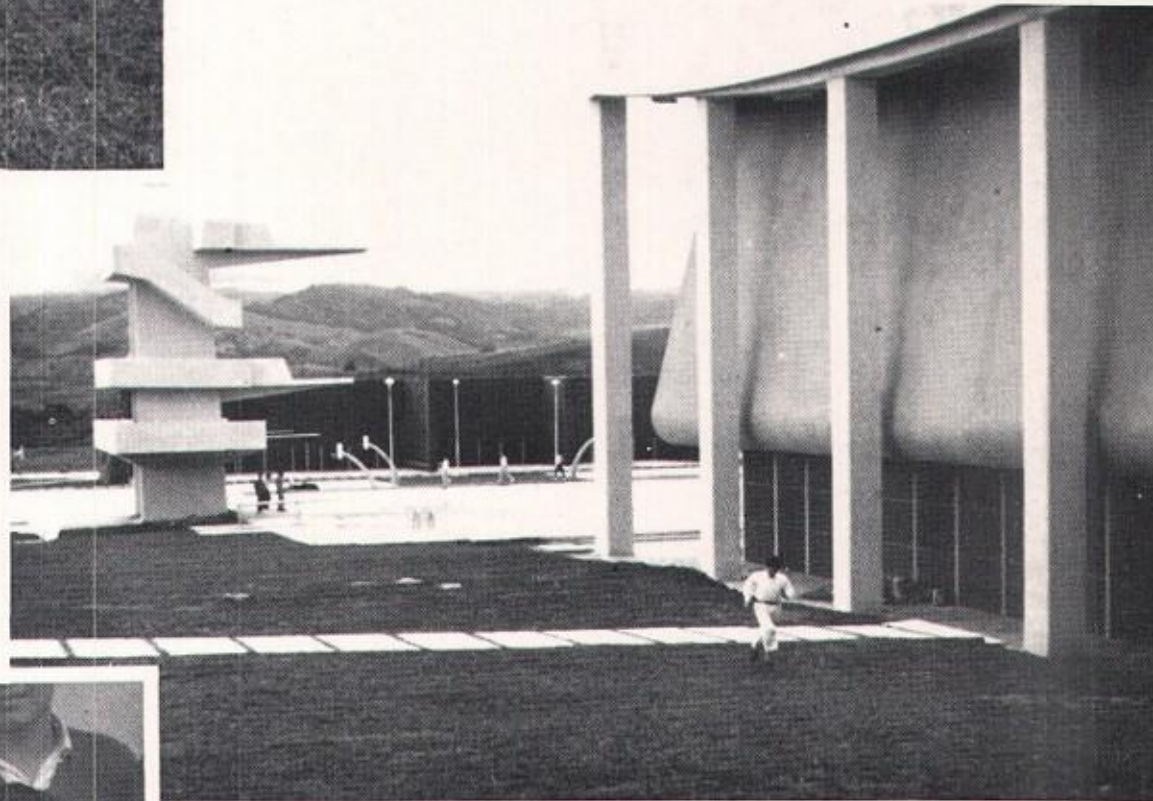

Mr. Adams points to the area of Mexico where he taught this summer through a teacher exchange program.

Professor Luis Enriquez, head of the Escuela Pre-Partoria where Mr. Adams taught, stands beside an Indian artifact during a field trip to a museum in Altotonga, Vera Cruz.

The modern auditorium and swimming pool are a part of the campus of the Escuela Normal, the training school for Mexican teachers in Vera Cruz.

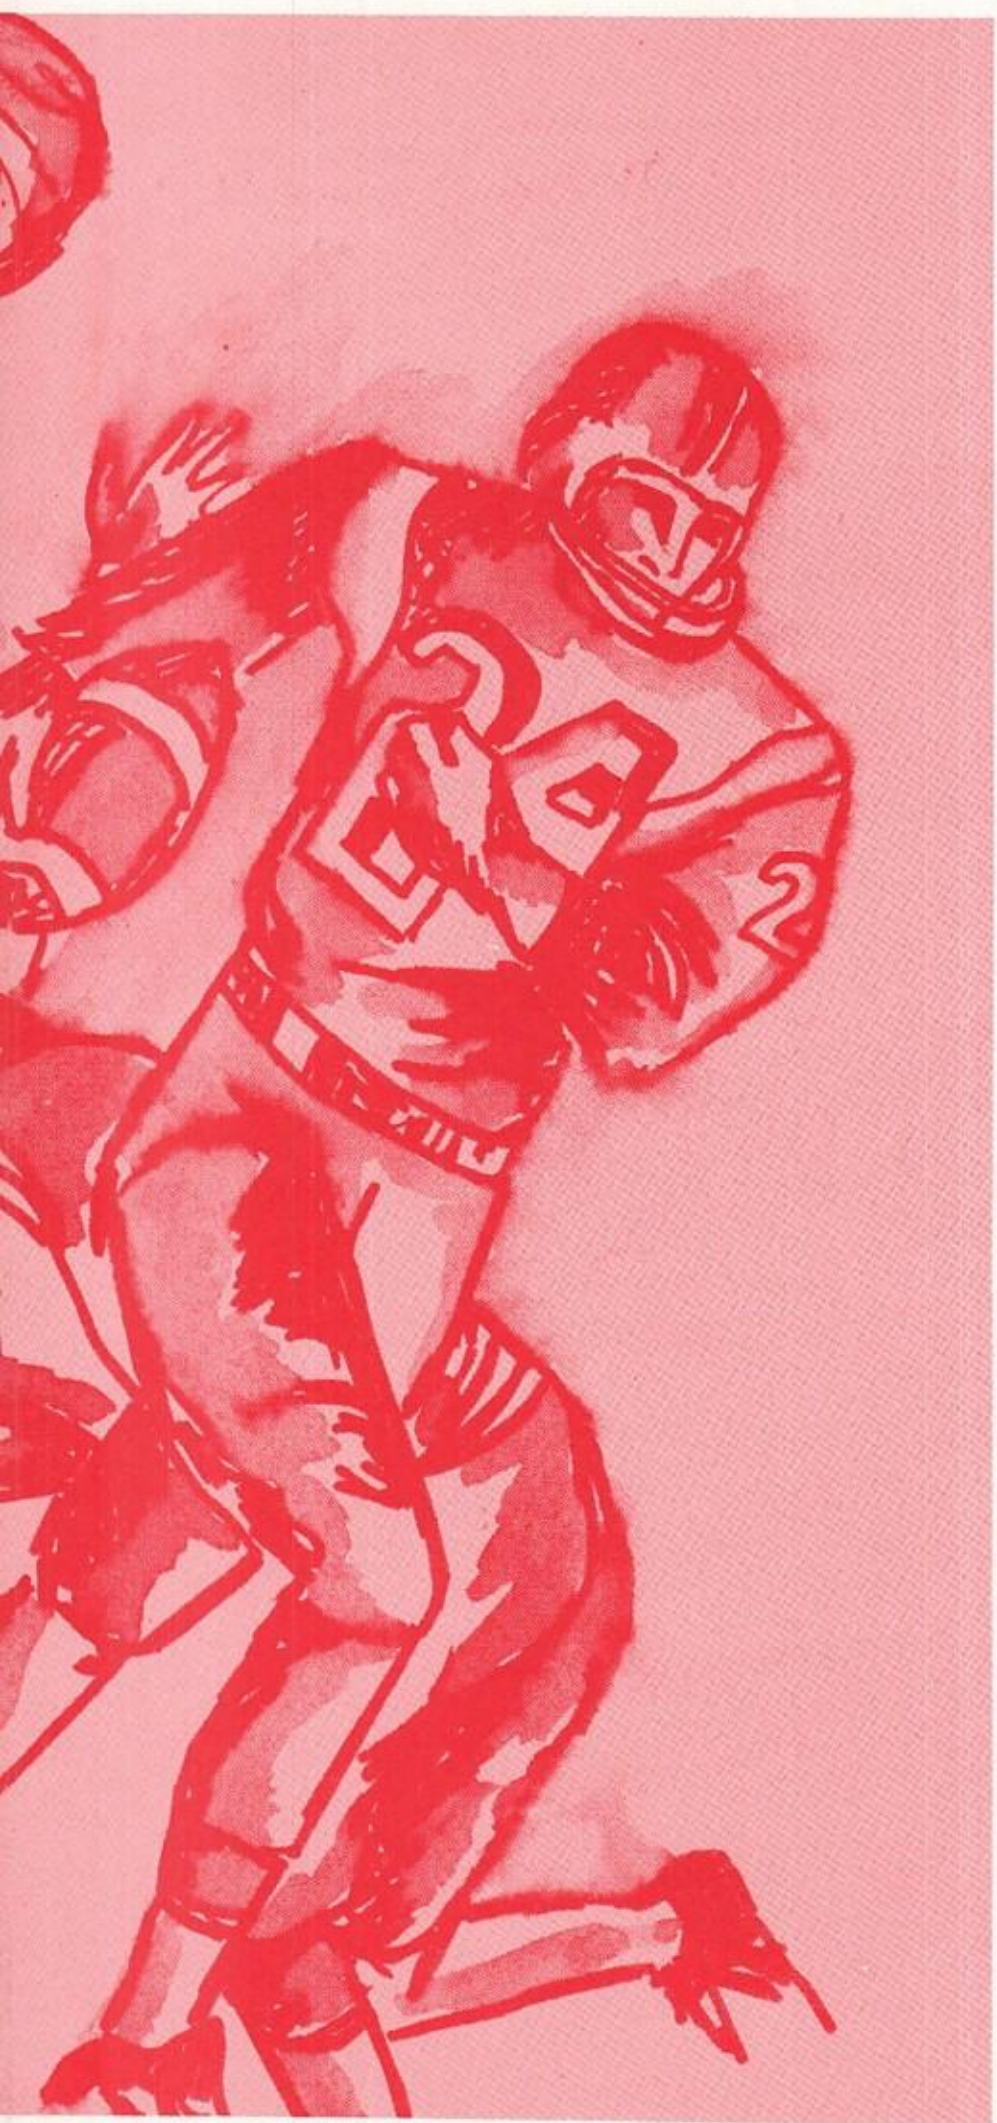

In the Plaza are some of the students and teachers of Altotonga Escuela Secundaria Federal, with whom Mr. Adams worked this summer.

Senor Barba, left, principal of the school, and Professor Corona, right, history teacher, look on as Mr. Lancina poses in the jacket presented to him as the climax of a party in his honor. Each person in the school contributed one peso.

Hindered by a lone league loss to Mt. Whitney, Delano failed to win the Central Yosemite League title. In the first game of the season, Taft threw two long passes in the last quarter to come from behind for a 14-7 win over Delano. The Tiger defense smashed through to block two punts to set up scores in a 20-0 blanking of East Bakersfield.

Delano marched 96 yards in the second half to score a 6-0 win over Wasco and hand the visitors their lone shutout of the season. An alert Tiger defense pounced on five fumbles and snatched two enemy passes to spark Delano's 13-7 victory over Shafter.

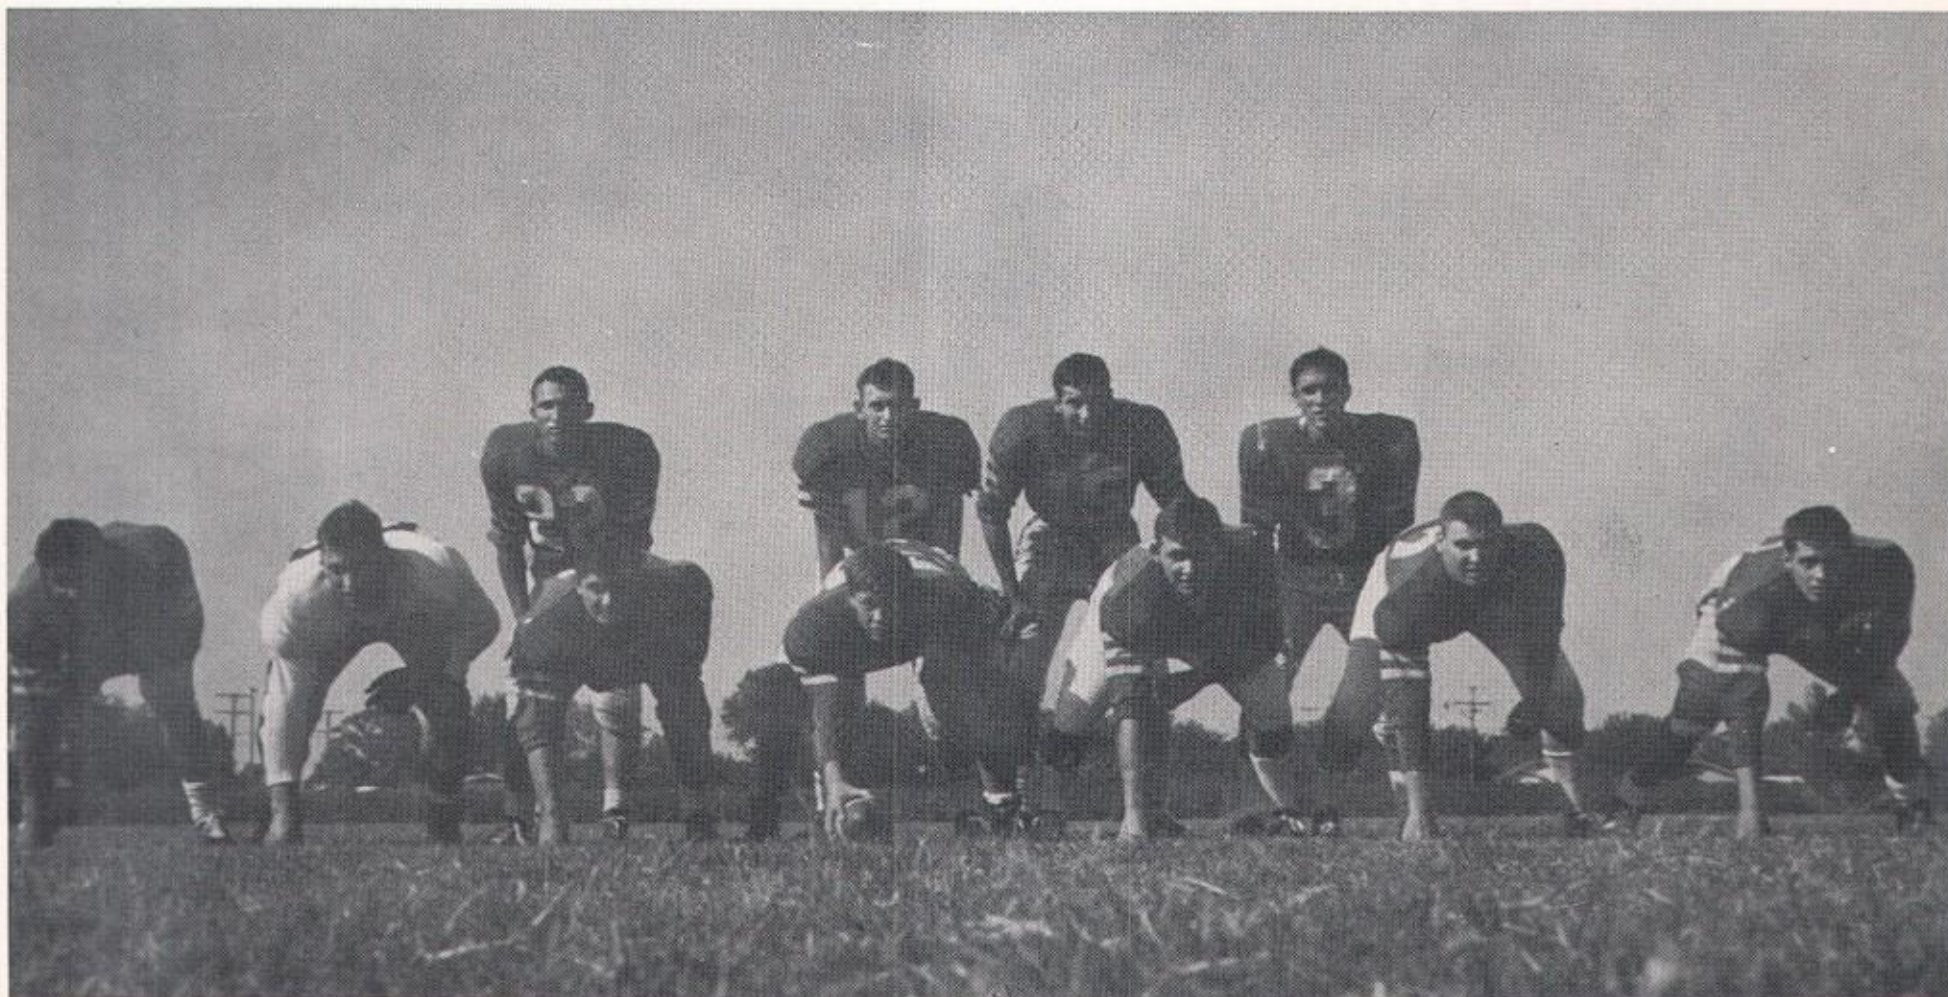

North tamed the Tiger 28-7, and in the first league game unbeaten Mt. Whitney passed for two touchdowns in the first five minutes of play before Delano stiffened and held Whitney to a narrow 12-6 win. The Tigers scored in the second period and held off four Panther drives inside the Delano 10 before yielding a fourth quarter score in a 7-7 tie with Porterville.

Delano's defense held the first place Redwood Rangers 18-6 for Delano's first league win. The Tigers scored twice in their last away game to triumph over Hanford 12-7. In a 12-6 win over Tulare, the wide-awake Tiger defense set up the two scores. Late in the first quarter they jumped on a Redskin fumble, and the offense passed for the touchdown. An interception, late in the game, and a long pass led to Delano's last score of the season.

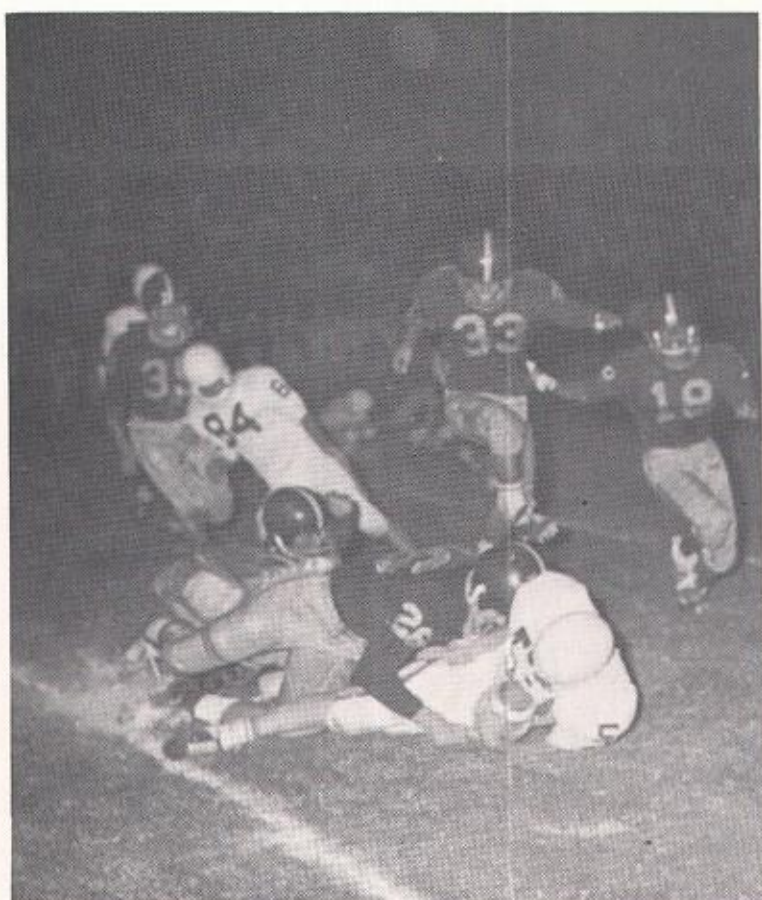

Dr. Keagy, team physician, patched up all the wounded Tigers and was an eager supporter of the team.

Powerful Taft, which defeated Delano for its lone loss last year, beat Delano two games in practice. Porterville won one clash from the Bengals, but then the B champions bounced back to beat Wasco 32-0 in practice and then won their first three league games by decisive shutouts. They won their remaining two games allowing only 19 points against them. Undefeated in league play, they captured their fourth straight title.

Eight Bengals were placed on the all-league squad. They were Ralph Castillo, David Borunda, Al Broom, David Ancheta, Pete Santiago, Ricky Felix, Bob Morrison, and Bob Hidalgo.

Coaches Waldo Stahl, left, and Nathan Johnson, right, piloted this year's Bengals, and can now boast 23 straight undefeated league games.

WATER POLO TEAM SHOWS PROMISE IN ITS SPORT'S DEBUT

This fall Delano High School organized its newest sport, water polo. Under the guidance and coaching of Mr. Gordon Lillis, Delano High's youngest sport did exceptionally well for its first year. The team finished the season with a 5-3 record in league play. In the league they tied with Hanford for second place behind the league champions, Redwood. Coach Lillis sees a promising future for his Delano watermen next year since some of them will be returning with valuable experience.

Freshman Steve Paca comes in for second place against Hanford in a dual meet win for Delano. David Armendariz, won the race for Delano.

This year Coach Tavalacci's Cross Country team battled against Redwood to capture a second place in the Central-Yosemite League. Junior Mike Avila made much improvement over last year's running record, finishing thirteenth in the Valley.

In the Frosh-Soph competition, freshman Steve Paca and sophomore David Armendariz showed outstanding performance and running tactics to lead the team to a second in the Central Yosemite League and also a second in the Valley Meet.

TIGERS TRY; COME IN LAST

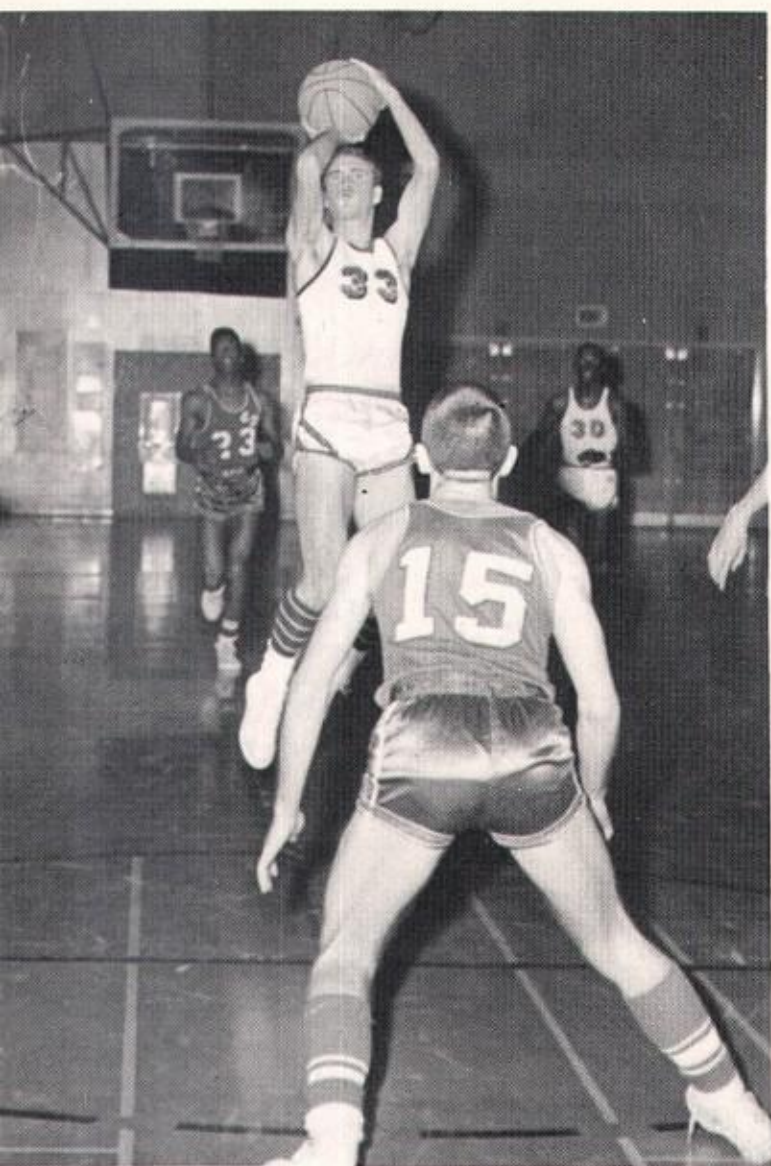

Delano High's top varsity rebounder, senior Steve Wilson, jumps high to push one in for 2 points.

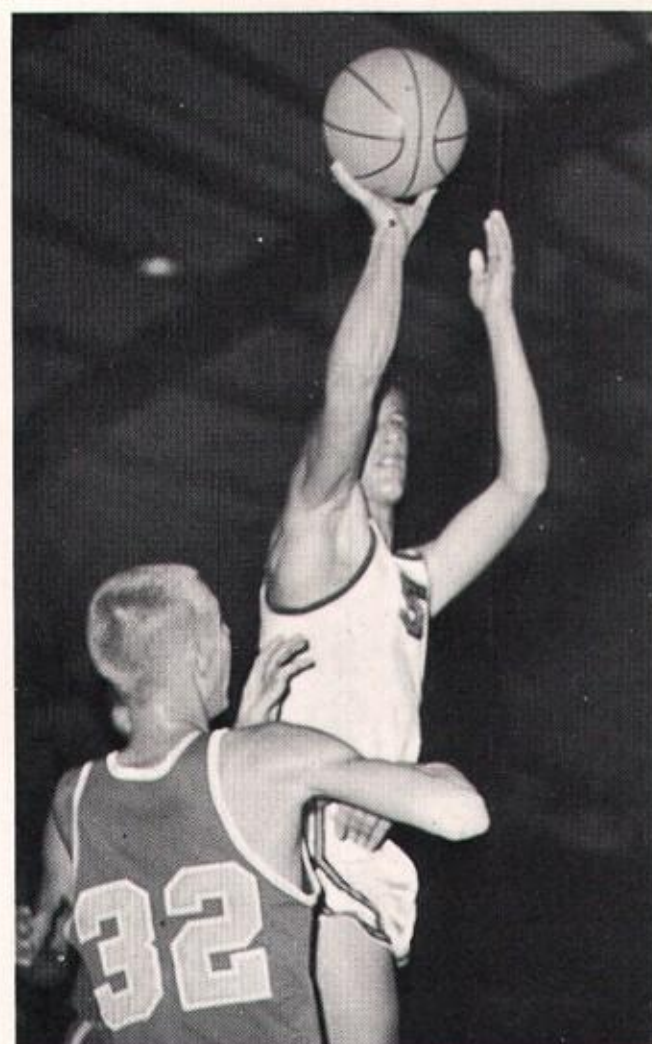

Coach Lee Lowry's varsity basketball team suffered an unsuccessful season. The Tigers won only one league game this year. Delano lost five of its games by 4 points or less. It was Mr. Lowry's first year as the varsity coach.

Highlighting the season's play were Delano's two games with Hanford. In the first game Hanford, the Central Yosemite League champions and one of the best teams in the valley, barely edged by the Tigers beating them just by two goals. In the last game of the season, the Bullpups again were given a scare as Delano trailing by about 20 points made a terrific comeback and came within 6 points of beating the champions.

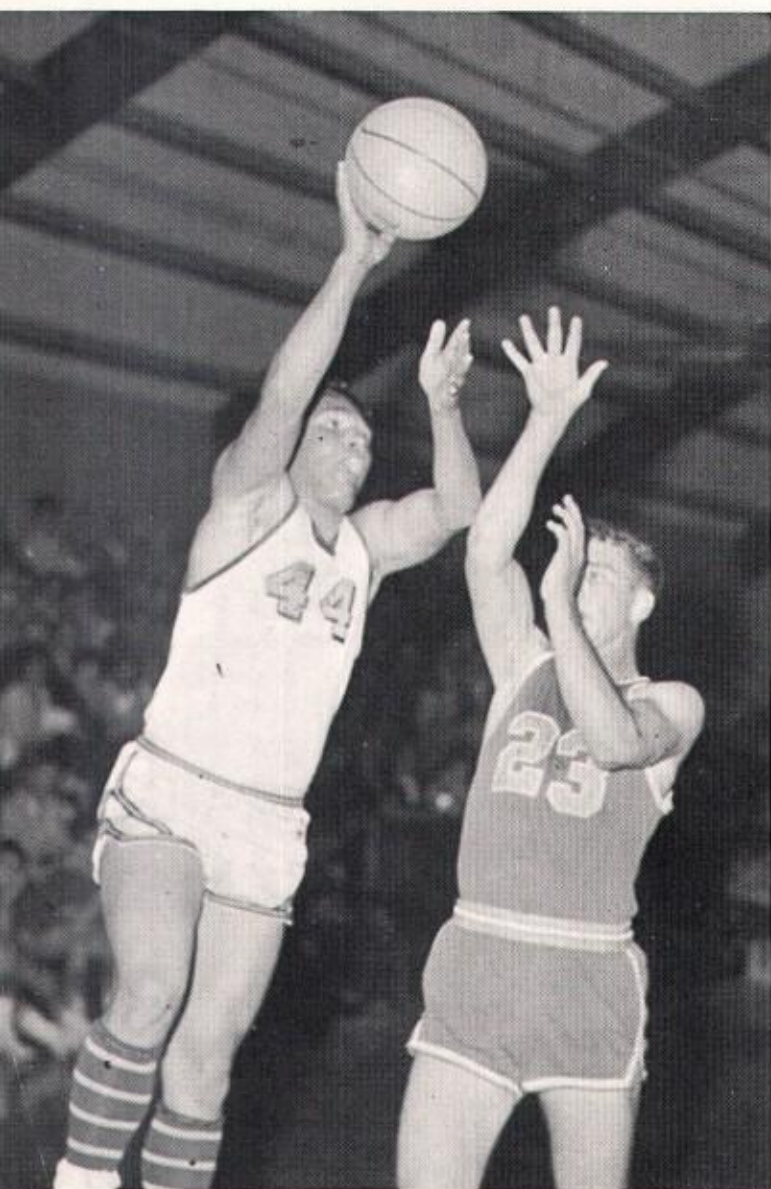

Leading in points was Steve Wilson with 109 points in the 10 league games. Second was junior Mike Garcia with 95 tallies in league play.

Mike Carter (33) catches his opponent flat-footed as he goes up for a jump shot.

Senior John Snyder reaches high above his man to sink one in.

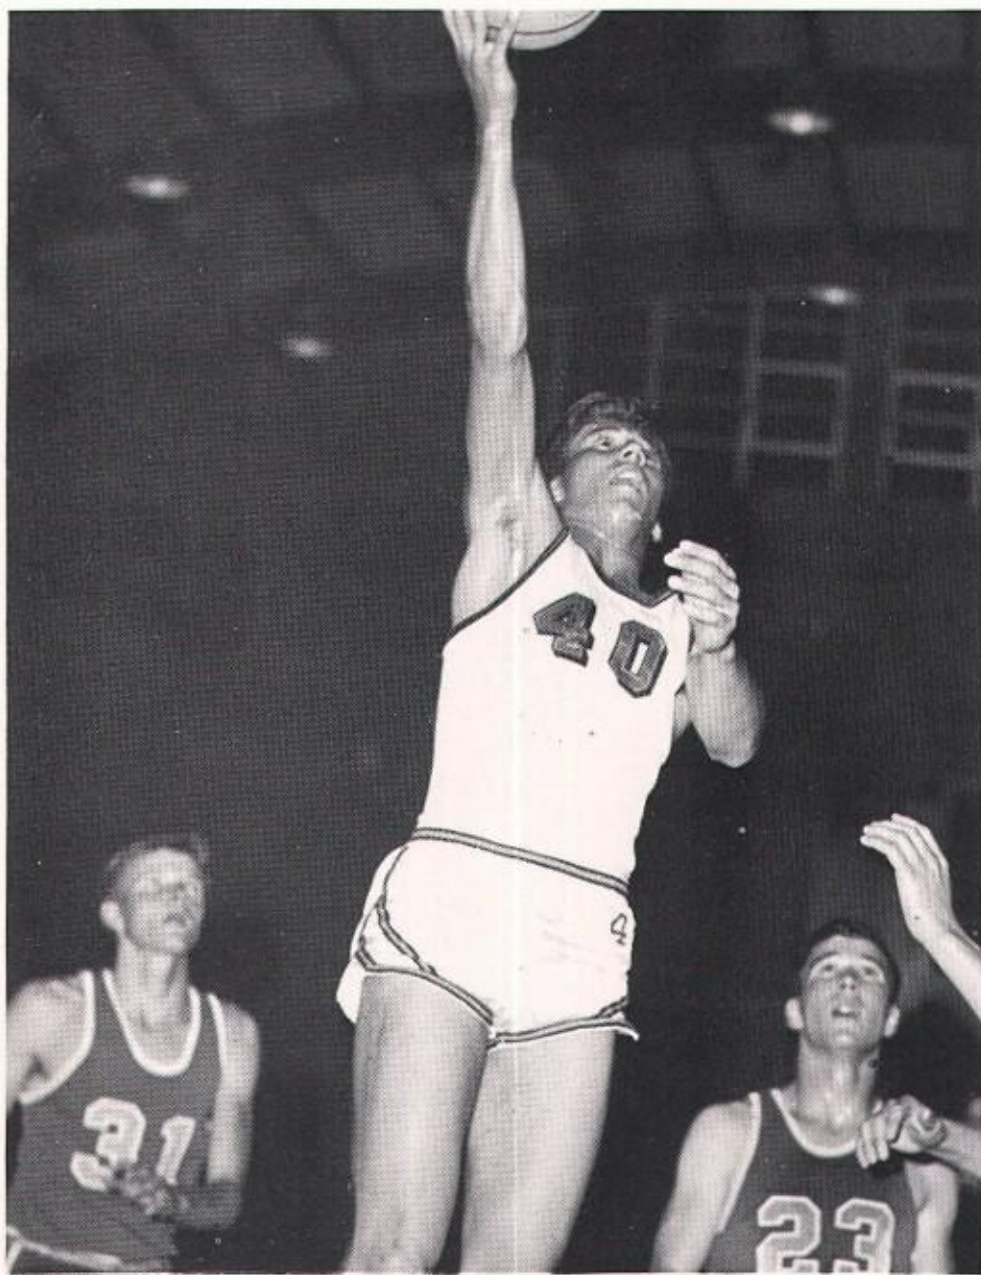

Serjio Castillo makes this one worth 2 points as an E.B. Blade looks on unable to stop him.

LEAGUE TOURNAMENT HELD AT DELANO

This year's wrestling team coached by Coach Allen and Coach Reimer showed a great improvement. The team shows even a better prospect for next year since most of the top grapplers are to return. There was such an outstanding record of attendance that it rivaled basketball for spectators. Although the team only managed to score 33 points in the league tournament, Delano sent three boys to the Valley meet. Those going were: David Cook, David Price, and Joe Nigos, the league champ in his weight division.

TIGERS BREAK STRING OF DEFEATS; DELANO BEATS FOOTHILL

Starting off the season slowly, the Delano nine lost its first four games. In the fifth, the Tigers edged by Foothill 6-5 to break their string of defeats. Frank Tavena pitched the Foothill game until Mike Beyer had to relieve him in the last inning. Collecting hits were Larry Hennessee and Richard Jimenez with 2 each. Art Mesa and Serjio Castillo had one hit each. Hennessee got 2 R.B.I's. The seniors playing their last year in D.H.S. are Tavena, Ron St. Clair, Beyer, Hennessee, Dan DeFraga, and Dave DeFraga. This will also be Castillo's last year due to the age limit. At press time, things are beginning to look better, and Coach Ray Frederick anticipates another winning season.
